Schedule of resident doctors for the integrated clinic at GH, Ramanathapuram

*Compensatory off will be provided for working on Sunday and Public holidays

VENUE: GROUND FLOOR, CEMONC BLOCK, GH RAMANATHAPURAM

TIMING: 9 AM-3 PM

Responsibilities of the Junior Resident: record height and weight, calculate BMI, perform RBS testing, conduct anemia testing if required, carry out general examination, and refer to the Senior Resident as needed. **Biomedical waste disposal** has to be monitored by the JR on duty. Register maintenance will be handled by the DEO

Responsibilities of the Senior Resident: create awareness on menstrual hygiene, anemia prevention, family planning, cancer and breast cancer screening and prevention, provide lifestyle modification advice, and offer additional guidance based on identified needs.

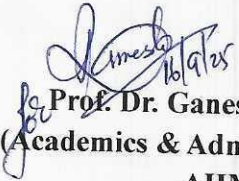

Important Note: *The SR on duty must capture photos and a 3-minute video (as instructed by the Ministry) of each daily session and present them to the CFM faculty posted at the Integrated Clinic for approval. After review, these should be forwarded to Dr. Praveena Daya A, CFM, for uploading to the portal daily without fail.*

For any queries, please contact:
